

# CARLOS PATRICIO GONZALEZ GUERRICO

## Industrial Engineer

### CONTACT

- +54 9 11 2254-4500
- Buenos Aires, Argentina
- patricio.gonzalez@ing.austral.edu.ar
- [www.linkedin.com/in/cpatricioggz/](http://www.linkedin.com/in/cpatricioggz/)

### SKILLS

- Fluent english & native spanish
- Advanced Office Suite
- Intermediate to advanced SQL, Javascript and Python
- Basic Solidity
- Root problem solving
- Caritas advocate
- Mechatronics and artificial vision

### EDUCATION

- Industrial Engineering - Mechatronics**  
Universidad Austral | 2017 - 2022 | GPA 7.49  
1611 Mariano Acosta, Pilar, Bs.As. Province
- First Certificate of English Studies - FCE**  
Pass with Merit – Grade A\*
- DMAIC Projects training**  
Fratelli Branca Argentina
- Phase 1 finalist - OpenCV AI competition 2021**
- Blockchain and IoT Seminary**  
Universidad Austral | 2020
- ECO Buenos Aires 3.0 - Leadership School**  
UCA Puerto Madero | 2015 | [link](#)

### ABOUT ME

Accomplished Industrial Engineer with extensive experience in team management, both professionally and as a rugby team captain for four years. Skilled in leading and motivating teams to achieve their goals, with a track record of success in improving processes and delivering results.

As a SSr. Product Operations Analyst, my primary career objective is to leverage my expertise in risk management and process analysis to effectively lead teams in identifying and mitigating potential operational risks. One of my main career goals so far has been optimizing everyday processes through data-driven insights and rigorous testing to ensure the highest level of quality and efficiency in all operations.

I am eager to further develop my career in the product area and to take on new challenges that will enable me to grow both professionally and personally.

### EXPERIENCE

#### Ssr. Product Operations Analyst

Lemon Cash - [ref](#)  
January 2022 - Present

- Responsible for optimizing and streamlining operational processes to improve efficiency and minimize risks.
- My main duties and goals include:
- Conducted process mapping and audits to identify key failure points and areas for improvement
  - Lead teams in collaboration with business and product stakeholders to implement continuous improvement tools and methodologies
  - Managed automation projects in key business areas, resulting in cost savings of US \$5,000 per month.

#### Professor - Practical course coordinator

Universidad Austral - [ref](#)  
September 2018 - Present

Teaching assistant in Operations Research assignment , with responsibility for overseeing the practical component of the course. Mathematical analysis and Calculus for engineering admissions 2018 - 2020. Mechatronics 2021. Industrial Chemistry 2021 - 2022.

#### Production Auxiliary - Intern

Fratelli Branca Distilleries S.A. - [ref](#)  
April 2021 - January 2022

Continuous process improvement through main KPI analysis. Process automation and data digitalization DMAIC projects management. HDA process owner. Participation in WCM pillars in order to ensure the optimum implementation of solutions. Administration tools training (lean-six sigma, kaizen, 6W+1H, etc)
