Mobile no: 7507690134

Date of birth: 25/06/1996

CAREER OBJECTIVE:

To begin my career as a business/research analyst that will not only help me grow as a professional but also as an individual. After my graduation in IT engineering I took a leap towards a career in management through my Masters in Business Administration degree.

Career in any field, according to me, relies heavily on one's technical and soft skills rather than pure academics. Although I am a solo player, I can be a team player whenever the team requires me to be one. I am an ambitious person who has a keen interest in financial analysis, business analysis, project management.

ACADEMIC QUALIFICATION:

Qualification	Institution	University/Board	Year of Passing	Percentage
MBA (Finance)	INSTITUTE OF ENTREPRENEURSHIP AND DEVELOPMENT	BHARATI VIDYAPEETH	2023	86.5
BE (IT)	MAHARASHTRA INSTITUTE OF TECHNOLOGY	PUNE UNIVERSITY	2019	53.84
HSC	BHONSALA MILITARY COLLEGE	HSC	2014	64.92
SSC	FRAVASHI ACADEMY	SSC	2012	80

WORK EXPERIENCE: Total experience:1 year

1)Business analyst trainee at Webonise lab(6months): Led a team of 12 members.

Managed 2 projects as a business analyst. Identified and gathered requirements from the client. Delivered various projects within the given deadline. Created technical documents like PRE, PRD, BRD, etc. Created user flows for various users in a system. Created user stories using edge case scenarios. Played a crucial role as a POC between management and technical team. Performed UAT on various sprints. Conducted sanity testing before and after every sprint release. Conducted daily scrum meetings with the technical team. Created tasks, features, bugs, etc for the technical team. Resolved various bottleneck issues during each sprint to ensure timely delivery of the project.

ii)Intern at Ambuja Cements(2 months): Proposed a new supply chain model by calculating and analyzing TDC. Identified various cost centers and suggested cost cutting expenditures by providing various alternatives. Analyzed company's financial statements for FY-2020-2021.

iii) Professor at MIT Pune(4 months):

I have experience of 5 months as a visiting professor at MIT, Pune.

Subjects taught: Discrete Mathematics –FYBCA at MIT WPU, Pune

Optimization Techniques-TYBCA at MIT WPU, Pune

My experience as a professor was enriching in many ways but it was not limited only to the given situations:

I managed a batch of 180+ students efficiently and effectively.

I ensured clear and open communication with my students.

I trained students according to the industry requirements.

Leading by example I ensured proper discipline and conduct by the students in and out of the classroom.

80% of my students scored above 90% in the above mentioned subjects.

I was also the youngest faculty in the college. This allowed me to learn from various experienced faculties having rich experience of 25-30 years.

PROGRAMMING LANGUAGES:

- MySQL
- Python
- R
