RPA DEVELOPER

PROFESSIONAL SUMMARY

Dedicated RPA UiPath Developer with 2 years of experience in designing, developing, and implementing RPA solutions. Strong understanding of RPA tools and technologies with proficiency in UiPath. Skilled in developing automation workflows, troubleshooting issues, and collaborating with stakeholders to optimize business processes. Excellent problem-solving abilities and a commitment to delivering high-quality work.

TECHNICAL SKILL

- **RPA Tools:** UiPath
- **Programming Languages:** C#, Python
- **Database Systems:** SQL
- **Skills:** Workflow Automation, Scripting, Debugging, Troubleshooting, Technical Support, Documentation

PROFESSIONAL EXPERIENCE

RPA UiPath Developer

Feat Systems Private Ltd, Ahmedabad, Gujrat

02/2022 – 05/2024

- Designed, developed, and implemented RPA solutions using UiPath.
- Collaborated with stakeholders to understand business requirements and translate them into efficient RPA workflows.

- Developed and maintained automation scripts for various business processes, enhancing efficiency and accuracy.
- Conducted thorough testing and debugging of RPA workflows to ensure high performance and reliability.
- Provided real-time troubleshooting and resolved issues promptly to maintain smooth RPA operations.
- Documented RPA processes, guidelines, and best practices to facilitate knowledge sharing and standardization.
- Stayed updated with the latest RPA trends, tools, and technologies to continuously improve solutions.
- Assisted junior RPA developers by providing technical support and guidance as needed.

KEY PROJECT

• Terminal Log RPA Project for AU Bank:

- Automated the processing of Electronic General (EJ) logs generated by 450 ATMs across different makes (AGS, NCR, and Hitachi).
- Developed a bot to check for duplicate EJ logs, retrieve ATM IDs from log filenames, and verify their accuracy.
- Implemented logic to identify the ATM make based on the ATM ID and extract necessary data from EJ log notepad files.
- Automated the creation of .CSV files based on the ATM make, ensuring accurate data classification and reporting.
- Enhanced operational efficiency by reducing manual intervention and improving data accuracy.

• Interst Statement Project:

- Automated the verification and processing of files to check availability and ensure unique dealer names using distinct filtering.
- Implemented filtering logic to match dealer names with state-wise statements and check for specific data types (DO Issuance, DO Cancellation, TA Disbursement).
- Automated the appending of DO Issuance and TA Disbursement data into state-wise TA statements, sorting dates, and handling DO Cancellation data by matching specific fields and inserting rows accordingly.
- Developed functionality to auto-fill closing balances in the TA statement from a specific column onward, ensuring data consistency and accuracy.

• DD Payout and Emailing Process:

- Automated the process of obtaining GL Dump files from the CBS Portal and verifying credit and debit transactions (DD and NEFT) by applying filters based on User ID and AUTH ID.
- Verified matching amounts on both sheets and copied all updated data from GL, downloaded Account Closer dumps, and applied filters based on Account Type and Closer Date.
- Verified closing balances from CBS GLM04 Fastpath and reconciled total amounts from DD and NEFT files, eliminating duplicate numbers and all row data.
- Ensured matching closing balances and included necessary information from the closer dump.
- Automated the process of sending an email with the updated DD Excel file attached to the appropriate distribution list.

EDUCATION

Gujrat Technological University - Ahmedabad, Gujrat

Bachelor of Engineering – Information Technology

07/ 2018 - 04/2022

PROFESSIONAL CERTIFICATION

- UiPath Academy Automation Explorer Training (FedRAMP)
- UiPath Academy Automation Developer Professional Training (FedRAMP)
- UiPath Academy Automation Developer Associate Training (FedRAMP)
- RPA Developer Foundation
- RPA Developer Advanced
- RPA Developer Citizen Developer Foundation
