SUMMARY

As a versatile and creative professional, I bring a unique combination of skills and experience to the table. With a strong foundation in writing and a passion for staying up-to-date on the latest trends, I am confident in my ability to craft compelling content.

My Bachelor's degree in Fine Art Painting has honed my creative skills, while my experience as a part-time freelance content writer (2 years) and full-time high school Librarian (6 months) has taught me the importance of effective communication expertise, I have also established myself as a social media content creator with a significant following on Instagram (@fatimasdailytrends, 4,000+ followers). Leveraging my knowledge of South Asian culture, gained from being based in Pakistan, I produce engaging reels and beauty content that resonates with my audience.
