SUMMARY

Well-versed and highly analytical professional with a strong background in risk management. Proven ability to identify potential threats, optimize strategies, and support informed decision-making. A dependable asset ready to elevate any team's performance.

EDUCATION

December 2026 **Bachelor of Science in Economics**
FLORIDA INTERNATIONAL UNIVERSITY | MIAMI, FL

- Major: Economics

May 2024 **Associate of Science in Business Administration**
Broward College | Davie, FL

- Major: Business Administration

EXPERIENCE

Jan 2024 - Present

Risk Manager

Cutters Edge | Davie, FL

- Oversaw risk management for capital expenditures, ensuring they remained within budget and aligned with financial controls.
- Managed budgeting processes and collaborated with finance to forecast, monitor, and mitigate risk-related expenses.
- Analyzed risk data to identify trends and drive strategic decisions, and developed and improved mitigation frameworks.
- Worked closely with HR on personnel-related risks, including workers' compensation, health incidents, and post-accident protocols.
- Managed claims processes and coverage coordination with insurance providers for workers' comp and general liability.
- Maintained MVR monitoring and reporting to reduce driver-related risk and ensure insurance eligibility.
- Utilized Microsoft, reporting, and team communication.

Nov 2022 - Present

Safety Coordinator

Cutters Edge | Davie, FL

- Maintained a zero-incident, zero-claims record (2024–2025) through proactive safety programs and mitigation strategies.
- Conducted fleet inspections, enforced OSHA compliance, and developed SOPs aligned with regulatory standards.
- Implemented a streamlined incident reporting system and led comprehensive safety analyses to identify and address workplace hazards.
- Led weekly safety meetings, promoted a safety-first culture, and delivered onboarding training to all new hires.
- Supported safety project tracking using Smartsheet and maintained alignment across teams.
